In addition I have a BS in Psychology from Hobart & William Smith Colleges.

Notice: "The STATE OF CONNECTICUT HAS NOT ADOPTED ANY EDUCATIONAL AND TRAINING STANDARDS FOR THE PRACTICE OF HYPNOTISM. THIS STATEMENT OF CREDENTIALS IS FOR INFORMATIONAL PURPOSES ONLY. Under Connecticut state law a hypnotist may not provide a medical diagnosis or recommend discontinuance of medically prescribed treatments. If a client desires a diagnosis or any other type of treatment from a different practitioner, the client may seek such services at any time. In the event my services are terminated by a client, the client has a right to coordinate transfer of services to another practitioner. A client has a right to refuse hypnosis services at any time. A client has a right to be free of physical, verbal or sexual abuse. A client has a right to know the expected duration of treatment and may assert any right without retaliation."

Redress: I am a Board Certified member of the National Guild of Hypnotists, and practice in accordance with its Code of Ethics and Standards. If you have a complaint about my services or behavior that I cannot resolve for you personally, you may contact the National Guild of Hypnotists at P.S. Box 308, Merrimack, NH 03054, (603) 429-9438, to seek redress.

Fees: The charge for my services is \$200.00 for the first session and \$150.00 for additional sessions.. The majority of issues can be addressed in two to five sessions. Due to session length I can only see 4-5 clients per day. As a result **twenty-four hour notice to cancel or change an appointment is required. Failure to provide notice will result in a charge of 100% of the session fee.**

Confidentiality: I will not release any information to anyone without a written authorization from you, except as provided for by law. You have a right to be allowed access to my written record about you.

Insurance: I suggest you think of my services as something that you will pay for personally. That will both protect your privacy and help you value the work you are doing more. In general, insurance companies do not like to cover hypnotic services, and I caution you not to expect them to do so.

My Approach: I sincerely believe that we harness incredible untapped power within our minds. My practice of hypnosis is designed to tap into that power and assist people in using that power to better their lives. I am not a "medical" or "psychological" professional and as a result do not work with physical or mental disease without a referral from a medical professional.
